These sub-standard Peas are of approximately the same quality as those which have generally been sold in the lowest price class. Because of being packed from fully ripened Peas, the Food, Drug & Cosmetic Act requires a sub-standard legend as appears on the face of this label. The food is entirely wholesome.

- ☐ Shrink oversized pages to paper size
- ☐ Expand small pages to paper size
- ☐ Auto-rotate and center pages

When printing, be sure to turn off the first two check boxes. The third check box can be checked or not. If the 1st two boxes are checked, the finished label will not be the right size.
